FOOD AND BEVERAGE POLICY

THE MOUNTAIN VIEW EVENT CENTER is committed to maintaining a clean, safe and healthy environment for its guests and visitors. One of the ways we do this is by strictly enforcing our policies regarding bringing in outside food and beverages in the Center.

OUR POLICY:

Outside food and beverages are not permitted in the **MEC**.

EXCEPTION: Water and sports drinks in acceptable, sealable, individual containers. We do not allow thermoses, coolers, cups or any other containers that create a risk of spillage.

It's the MEC's mission to provide and maintain a clean, attractive and safe environment. If we allow outside food and drink without limitation, our ability to succeed in our mission would be negatively impacted and more difficult (and costly) to keep the MEC's appearance up to high standards.

THANK YOU FOR RESPECTING OUR POLICIES. We realize that not everyone will agree with our approach, but we ask that you respect our rules.

THANK YOU!

CODE OF CONDUCT

We want **everyone** who enters the Mountain View Event Center to have a safe, rewarding experience. Therefore, we require that everyone adhere to a Code of Conduct that touches upon core values which, if respected, ensure a positive experience for everyone.

Failure to adhere to the Code of Conduct will result in a temporary or permanent ban from the Center.

RESPECT

Respect Staff – they are here to provide a safe environment and a rewarding experience.

Respect Others – refrain from any harassing, intimidating, or discourteous behavior toward others.

Respect the Center – treat property and equipment with care, and be clean (pick up after yourself).

Respect yourself – refrain from dress or behavior that may draw attention to yourself or portray you in a bad light.

SPORTSMANSHIP

Exhibit good sportsmanship in all aspects of competition and play, including deferring to officials, abiding by all rules of competition, and refraining from outbursts.

SAFETY

Refrain from any behavior that puts you or anyone else at risk of injury.

Wear proper attire, and use proper equipment, for the activity in which you are participating.

Report to Center Staff any condition that could create a safety concern.

THANK YOU FOR FOLLOWING ALL OF THE CODES OF CONDUCT!
